

*Come one, come all,
for an afternoon of Fun, Frolic and Enlightenment!*

The **Labyrinth** dates back to prehistoric time and is still being used throughout the world as a meditative and healing tool. When considering the labyrinth, there are two choices: walk it or don't walk it! If walked, it is meant to balance and harmonize the spirit. Nature's Intention offers its Labyrinth as a healing service open to the public.

Admission – Donation to “OutReach”, a local community charity for those in need

Awaken your senses and walk for peace this Summer Solstice

☞ **Opening ceremony 2:00pm – guided by Kim**

Inspiring music with **Pam Gerrand**, a local Stratford singer, songwriter, sound healer who has performed and held workshops across Canada, US, UK and Sweden. To quote Deepak Chopra, “Pam Gerrand is a radiant voice for peace in our world today. Her music embodies the essence of the message that is the key to our healing and transformation – love is all.” www.pamgerrand.ca
