

*Come one, come all,
for an afternoon of fun and frolic!*

The **Labyrinth** dates back to prehistoric time and is still being used throughout the world as a meditative and healing tool. When considering the labyrinth, there are two choices: walk it or don't walk it! If walked, it is meant to balance and harmonize the spirit. Nature's Intention offers its Labyrinth as a healing service open to the public.

Awaken your senses and spirit on the eve before Fall Equinox with:

- * A meditative stroll or dance through the Labyrinth – opening ceremony 2:00pm
- * The experience of a live drumming circle with Oz & Joan of Tribal Thunder
www.tribalthunder.com - Don't forget your drum if you have one
- * Soothing sounds of Sanskrit Chants by Gita Chavda, Lalitadevi & Anandaropa – Sound Healers and Yoga Teachers living in Woodstock
- * Holistic Health and Information Booths
- * Crafts and fun games for kids and adults alike
- * Good Food: hot dogs, hamburgers, chicken burgs, & other treats for nominal fee – profits being donated to charity
- * A Sacred Fire Ceremony to close the activities!

Admission – Donation to “VON Sakura House”, a local hospice
